Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's Representative, Attorney Spector, reiterated Applicant's claim to a main circuit "operationally" separate from a separate circuit, wherein Hetzler et al. arguably fails to disclose a main circuit operationally separate from another circuit. This argument was supported by Hetzler's disclosure of a secondary pump 20 that feeds fluid in conjunction with fluid delivered by main pump 10. Examiner agreed to consider the arguments as presented.
